Played on a badminton-sized court with special paddles and a ball similar to a wiffle ball, the game is accessible to players of all ages and abilities. Indoor Pickleball is included in Georgetown Recreation Center memberships. Paddles and balls are provided. Outdoor Pickleball courts are located in the northeast corner of the McMaster Athletic Complex. The courts are available on a first-come, first-served basis, and players must provide their own paddles and balls.

LEARN TO SWIM

PARENT AND CHILD | AGES 6 MONTHS-2 YEARS
The purpose of Parent and Child Aquatics is to teach safe behaviors around the water. This course develops swimming readiness by leading parents and their children in water exploration activities with the objective of having fun and becoming comfortable in, on, and around water. An adult is required to participate with the child. Each course includes 8 lessons.

PRESCHOOL | AGES 3-5
Preschool Aquatics aims to promote the developmentally appropriate learning of fundamental water safety and aquatic skills by young children. Red Cross Preschool Aquatics teaches aquatic skills and safety skills in a logical progression to prepare children for Learn-to-Swim Level 1 and Level 2. Each course includes 8 lessons.

PRESCHOOL ADVANCED | AGES 3-5
The objective of Preschool Advanced is to increase children's proficiency in performing previously learned skills. This is accomplished by providing additional guided practice and increasing repetitions and distances. The skills in Preschool Advanced are performed with greater independence. Children improve their coordination and control of both combined and alternating arm and leg actions. New water safety topics are introduced, and previously acquired water safety knowledge and skills are reinforced. Each course includes 8 lessons.

LEVEL 1 & 2 | AGES 6-12
Learn-to-Swim Level 1 & Level 2 teaches children of varying ages and abilities water skills such as front crawl and different water treading actions in a logical progression. This course will introduce skillful swimming and emphasize how to safely be in, on, and around the water. Each course includes 8 lessons.

LEVEL 3 | AGES 6-12
Learn-to-Swim Level 3 focuses on formal stroke development and building endurance to swim the full length of the pool. This course will improve skillful swimming and emphasize how to safely be in, on, and around the water. Each course includes 8 lessons.

LEVEL 4 | AGES 6-12
In Learn-to-Swim Level 4, participants will gain exposure to and further develop all major strokes (breaststroke, backstroke, sidestroke, butterfly, and front crawl). Additionally, time will be spent refining treading techniques and briefly introducing basic diving skills. Each course includes 8 lessons.

LEVEL 5 & 6 | AGES 6-12
In Learn-to-Swim Levels 5 & 6, participants will learn to coordinate and refine previously learned strokes in order to swim with more ease, efficiency, and power over greater distances. Additionally, basic competitive swimming techniques are introduced. Each course includes 8 lessons.

ADULT | AGES 12+
Adult level classes help teens or adults overcome their fear of the water and learn the skills to achieve water competency. Our team of instructors will help participants gain basic aquatic skills and/or refine the participant's swimming strokes to meet individual goals. Each course includes 8 lessons.
POLICIES

Inclement Weather Policy: Pools close for 30 minutes every time lightning or thunder is present. When this occurs, everyone will be asked to get out of the water immediately, and the 30-minute countdown will start over each time lightning strikes or thunder is heard. This may result in lessons/classes being cancelled for the day. While one missed lesson or class will not be made up, if there is a second cancellation due to bad weather, arrangements may be made to make up the lost time by adding additional time to remaining classes, depending on the course. The City of Georgetown Parks and Recreation Department will make all lesson cancellations due to inclement weather with the safety of our participants in mind and cancellations will be made 30 minutes prior to class.

Transfer/Refund Policy: Payment for each class session is due at time of registration. Refunds/transfers will only be given if notice is received 7 or more days prior to the start of an Aquatic Program. No refund/transfer will be given with less than 7 days notice. Complete refunds will only be given for departmental cancellations. Because of staffing requirements, fees will not be prorated for partial attendance.

Waiting List: Due to instructor/participant ratios, each class and program will have a maximum number of spots available. Once the class maximum has been reached, subsequent registrants will be notified that the class is full and you will have the option to be placed on a waiting list. Should spots become available, program openings will be filled on a first-come, first-serve basis from registrants that appear on the waiting list.

NEIGHBORHOOD PARK DEVELOPMENT
One recommendation in the Parks, Recreation and Open Space Master Plan was to develop neighborhood parks. The focus this spring will be to develop a 2.7 acre undeveloped park in Berry Creek on Golden Bear Drive. A neighborhood meeting was held in May 2019 to gain input on park amenities, which will include two playgrounds, one appropriate for 2-5 year olds and one for 5-12 year olds, a double bay swing, bike rack, water fountain and walking trails. Other amenities may be added, depending on available funds.

SAN GABRIEL PARK
Renovations to Phase II of San Gabriel Park were completed at the end of 2019. Improvements included additional pavilions, a new restroom, two new playgrounds, swings and a basketball court under College Street Bridge. In addition, lights were also added to the two sand volleyball courts and restoration was completed on the two additional springs along the San Gabriel River.

Design for renovations to Phase III of San Gabriel Park will begin in early 2020. Design elements planned include one large multi-use performance pavilion, splash pad plaza, three shade shelters, a new restroom building, and a lighted skate park. In addition, a new low water crossing at the convergence of the North and South San Gabriel rivers is planned to replace the current pedestrian bridge.

HIKE AND BIKE TRAIL EXTENSIONS
The trail extension connecting San Gabriel Park to the Katy Crossing Subdivision is expected to be complete in early 2020. This half-mile trail extension was funded in part by a $200,000 grant from the Texas Parks and Wildlife Department.

A new trail extension is planned along the South San Gabriel River from University Avenue to IH 35 behind the Wolf Crossing Development. Design will begin in early 2020 with construction estimated to start in the fall of 2020.
**PLAY RANCH**
The Play Ranch includes two nature-inspired playgrounds, a splash pad, and covered pavilions.

**DOG RANCH**
The Dog Ranch is a 4.5-acre naturally landscaped leash-free dog park with separate areas for large and small dogs, five picnic shelters and water stations.

**TRAIL & EQUESTRIAN AMENITIES**
The shared-use trail (equestrian and hiking) is 4.68 miles, and there are 2.6 miles of pedestrian-only trails. The equestrian area offers truck and trailer parking along with day pens, water stations, a wash rack, and an arena.

**PAVILIONS**
There are five pavilions available to rent surrounding the Play Ranch. Reservations are required for groups of 16 or more using the Play Ranch.

**PARK HOURS**
Garey Park is open daily, excluding some holidays. See website for closures.

Georgetown's Cultural District is one of only 40 such districts across the state, lending a level of distinction and recognition to our arts community that we are very proud of. We are also distinctive in that Georgetown is one of the fastest-growing cities in the country. Our cultural arts sector is blooming as a result of that population growth.

Arts and culture organizers in town bring the architecture and history of our area to life, curate thought-provoking exhibits and events, create magical theatre experiences, and organize concerts that transport the listener. Georgetown's Cultural District overlaps our historic downtown Square and its many wonderful restaurants, wineries, galleries, and much more.

For information about arts & culture in Georgetown, including the arts & culture event calendar, visit arts.georgetown.org.

The City Sculpture Tour is Georgetown's premier public art program. Sculptures are rotated annually and are exhibited throughout the Cultural District of Downtown Georgetown and the Georgetown Public Library, as well as the Georgetown Recreation Center.

Georgetown's murals are also an attractive part of the City's public art program and are located in the Downtown Georgetown Cultural District. The newest completed mural, "Traditions to the Future" by Mila Sketch (top), is located at 215 W. 8th Street and is the artwork selected by the Georgetown Arts and Culture Board for the mural project, "Honoring the Past and Innovating for the Future".

Sculpture pictured is "One Trick Pony" by Dan Pogue, located at the corner of Austin Ave. and 6th St.
