By 2017, Georgetown will no longer have a Rodeo or an Arena! The City Council will be tearing it down and not replacing it. Please help by adding "Save Wcsp ArenaRodeo" on facebook. We need as many Georgetown Voters as we can get to make a difference according to the City Manager.

The Georgetown Outdoor and Indoor Arena will be torn down by 2017 for Parking.

Welcome to the beginning of trying to save the Georgetown Rodeo and Arena in San Gabriel Park. Our lease is up 2017 and the City is going to tear down the indoor and outdoor arena for Parking. Next to be moved will be the Soccer and Baseball fields according to the City.

The City is saying that we can move the Georgetown Rodeo to Taylor. That the voters of Georgetown want more parks and recreation and that Agriculture is a thing of the past.

Jimmy Cairnes I think if they think that Agriculture is a thing of the past they need to try to go one day with anything associated with agriculture and then they will see how important it is. As far as the arenas go it is an outlet for youngsters and oldersters alike to do something positive with their lives whether it be ride a bull, horse or just come out and enjoy the event and let off some steam. I myself use the arena in order to excel in bull riding. I know others have too. it would be a shame to loose such an historic landmark.
